MEMORANDUM FOR THE RECORD

25X1A

SUBJECT: Training Agreement for [REDACTED]

25X1A

1. The Career Service Panel and AD/OEL approved training for [REDACTED] at Ohio State University this summer. The Agency application forms contain a statement of intent to remain with the Agency for one year after completion of the training. [REDACTED] 25X1A found this requirement both annoying and restrictive, and had tentatively decided not attending the course.

2. In discussing the situation with [REDACTED], 25X1A I pointed out that it was my understanding that such an agreement should be signed in good faith, and that if he did not have any definite arrangements for employment elsewhere the good faith requirements were substantially met. Since the course will contribute directly to [REDACTED] immediate work assignment, I feel that it is especially important that he attend this training. [REDACTED] 25X1A agreed to proceed to register for the course and to sign the necessary agreements, based on the understanding of our conversation.
